### **Dunedin's Art Harvest**

For 53 years, this outdoor juried art show has drawn tens of thousands to Highlands Park in Dunedin that is located next to the Dunedin Fine Art Center. This year's event will be held the weekend of November 5th and 6th. With over 200 artists, there is something for everyone, including a Children's Pavilion that provides interactive art experiences. Art Harvest provides the primary funds for the work that the Junior League of Clearwater-Dunedin does each year. Currently, they aid foster youth as they age out of the foster care system. All the proceeds of the event are reinvested into the community through programs, projects and grants.

Linda Heath, this year's featured artist at Dunedin's Art Harvest, created the Gyotaku fish rubbing.
